Sir,

Adverting to letter No 2870 dated 1st December 1941 from the Chief Secretary to Government, stating that Mr Venkatesiah may be released by the 1st January 1942 and that an application for the loan of the services of some other hand from the Horticultural Department may be made, if necessary, I have the honour to submit herewith for the approval of Government, the resolution of the Municipal Council regarding the appointment as Manager of the Sewage Farm, one Mr A Rama Rao who was recently retired from the Gardens Department where he held the post of an Assistant Superintendent

2 The Council have resolved to give Mr Rama Rao Rs 100/- plus Rs 15/- per mensem (if he agrees to this) and that he will be on probation for six months

3 Mr Rama Rao has signified approval to the above conditions and adds that he may be treated as a Gazetted Officer

4 I wish to state in this connection, that I first intended to obtain the loan of services of a Gazetted Officer from the Agricultural Department for our Farm, so that he might be in charge of the Sewage Farm, Compost Section, Livestock including cattle etc and I am enclosing herewith for the information of Government a copy of letter No Est 631-2572/40-41 dated 5th August 1941 from the Director of Agriculture stating that it is not possible for him to spare any Officer from that Department

5 In these circumstances I think Mr Rama Rao whose certificates are quite good may well be tried for this post and I therefore recommend that Government may kindly accord early approval to the appointment of Mr Rama Rao as Manager of the Sewage Farm on a pay of Rs 100/- plus 15/-, Mr Rama Rao being on probation for 6 months

6 Since in the letter under advertance, it is suggested that Mr Venkatesiah may be released by the 1st January 1942, I request that immediate orders may kindly be passed regarding Mr Rama Rao's appointment

7 If there is no objection, I may kindly be permitted to take Mr Rama Rao from the 15th instant pending formal orders of Government, on which date, I will relieve Mr Venkatesiah, so that the latter may join the Horticultural Department well before the 1st January 1942

CITY MUNICIPAL COUNCIL
MYSORE

2nd February 1942

Mu 11—41- 46

My dear Mr Narayana Rao,

Adverting to your letter No L 5573 of the 6th January 1942 regarding the appointment of Mr A Rama Rao, I wish to state that the matter has already been discussed in the Municipal Council and it is felt that it is very necessary to have a senior Officer to be in charge of the Sewage Farm, the receipts of which are well over Rs 30,000 Further we have acquired and are acquiring lands to the extent of nearly 50 acres to the Sewage Farm and the whole area has to be brought under cultivation Taking all this into consideration, the proposal was made to take a Gazetted Officer from the Agricultural Department But as the Director of Agriculture could not spare a gazetted Officer and just at this time as Mr Rama Rao who was a Senior Officer of the Gardens Department and possesses just the qualifications we want for this post, was available and he was also agreeable to the salary offered by the Municipal Council, the Council accepted the proposal to take him, vide resolution already sent to you

In these circumstances I request that the resolution of the Municipal Council may kindly be approved

In this connection, I wish again to reiterate that the Farm is too big for an Agricultural Inspector to be in charge of and if for any reason Mr Rama Rao cannot be appointed we will have to either advertise for a suitable man with proper qualifications or borrow the services of a Gazetted Officer from the Agricultural Department

Yours sincerely,

B. S. Raghavendra Rao

Subject - Relief of Mr V Venkatesiah from the Sewage Farm, Mysore

Dear Sir

With reference to your memo No L 7426 dated 17th - January 1942 enclosing a copy of your letter to the President, City Municipal Council Mysore, instructing him to take on - loan the services of an officer of the Horticultural Department in consultation with me to replace Mr V Venkatesiah I have to inform you that the President requested me in his letter No G T 1943 dated 20th February 1942 to suggest a panel of names for selection to the post of Manager, Sewage Farm Mysore A reply was sent in this office letter No 2759/H dated 5/6th March 1942 suggesting the names of two senior officials But the Chairman, City Municipal Council, Mysore, who had a talk with me on the telephone a few days back said that he wanted a Graduate for the post I said to him that I had no Graduate in the department who are suitable for the post This question with the Mysore Municipality never seems to get settled Correspondence has been going on for nearly two years In my last letter I requested the President Mysore Municipality to relieve Mr Venkatesiah without further correspondence But the President said that the Minister had told him that the post ~~may~~ must be advertised This will again mean a lot of time

It is therefore requested that the President City - municipal Council Mysore may kindly be advised to relieve Mr V Venkatesiah immediately making some temporary arrange ment till he gets a man who will satisfy the municipality

Yours sincerely,

My dear Mr Narayana Rao,

Adverting to your letter No L 7425 dated 17th Feb 1942 I am forwarding herewith a copy of letter No 2759/H dated 5/6th March 1942 received from the Director of Horticulture in the matter

In this connection, I wish to state that the Sewage Farm in Mysore is growing and the receipts come to about Rs 30,000 per annum Again the Municipal workshop for repair of bullock carts etc is located in the Sewage Farm as also the dry cattle shed and the compost section

It was therefore considered desirable to get an alround competent energetic Officer to be in charge of the Sewage Farm in view of its heavy transactions and the large scope for development The Health Officer who is at present in charge of the Farm is a very busy man and in the midst of his other work he could not spare much time for the development work of the Farm although he could run the routine It is therefore felt necessary to get some one with ideas and initiative to b in charge of the Farm The names suggested by the Director of Horticulture, I am afraid, may not be suitable for such type of work

When the Minister for Local-Self-Government was here recently, I discussed the matter with him and he was of opinion, that we might if necessary advertise the post As neither the Director of Agriculture nor the Director of Horti-culture could spare the services of competent men for this post, I think that it is best to throw open the post for advertisement, applications being invited from graduates in Botany or B Sc (Agri) with at least 3 years practical experi= ence in management of farms, persons in service also not being excluded and preference being given to non-brahmins Early

orders of Government may kindly be obtained in this matter

In the mean hile, I wish to state that the Director of Horticulture is repeatedly pressing me for relieving Mr Venkatesiah In fact in his latest letter, he wants Mr Venkatesiah to be relieved without further correspondence' Obviously Mr Venkatesiah cannot be relieved till arrangements are made to get a substitute in his place As the Director is prepared to send another man with similar service and qualifications to Mr Venkatesiah, in his place there ought perhaps to be no serious inconvenience by continuing Mr Venkatesiah himself, here till other arrangements are made, so as to avoid minimum inconvenience to all concerned

I therefore request that orders of Government may kindly be passed for

i for advertising for the post of Manager of the Sewage Farm with the following minimum qualifications, non-brahmins being preferred

Minimum qualifications for the post

B A with Botany or B Sc ,(Agri) with at least 3 years' practical experience in the management of a Farm

Pay Rs 100+15

and ii for the continuance of Mr Venkatesiah till a substitute is appointed

As cash has to be handled by the Manager, Sewage Farm, a security of Rs 1,000/- may be insisted upon

Early orders are solicited
